Carmi Blum
1944 – 4 January 2020

From Jocie Hooper:

I occasionally scan the obits, and today saw the sad news of Carmi Blum. She and Eugene were part of the “old cavers” group. I knew she had a heart condition, but had not seen her in a few years.

Elliott Note: Eugene Blum was listed in the AMCS and Texas Caver as a member from the early 1960s on. We have this trip report from The Texas Caver, February, 1964, p. 24:

UT Grotto

The weekend of February 2 - 3 [1964] saw Eugene Blum, Harry and Cammy Miles, and Eugene's sister heading for Val Verde County; and in the same county was Tom Dillon and other UT cavers. A sudden burst of caving, soon expected to settle back to normal as classes begin. The first meeting of the New Year will be on Wednesday, February 6, in Physics Bldg. 313. Grotto address is P. O. Box 7672, U.T. Station, Austin, Texas 78712.
